Introducing the OVR PDF

Discover and experience artworks from world-class galleries in your space using mobile devices.

www.onlineviewingroom.com/ovrpdf

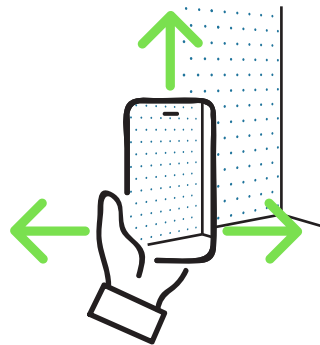

Step 1

Read the QR-code with your phone.

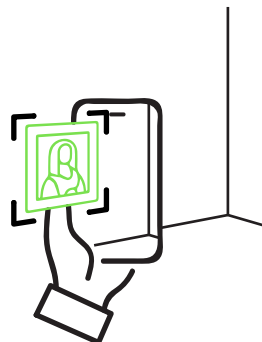

Step 2

Move your camera around to detect walls and floors. You will see many blue dots in the space.

Step 3

Place the artwork and experience it as if you were there.

IMPORTANT! The QR-code will open the app. If you haven't installed the Walter's Cube app, you will be directed to the Appstore/Playstore automatically. You need the latest version to use the OVR PDF feature. Please, update your Walter's Cube app if needed.
